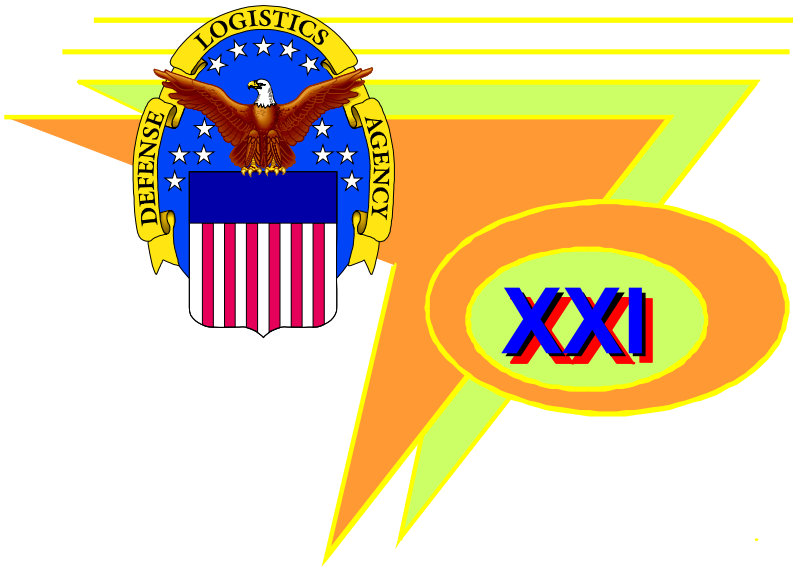
Defense Contract Management Command



Supplier Information Service

Purpose

Supplier Information Service makes DCMC's knowledge about suppliers more accessible to Customers by:

- Consolidating existing supplier information into a single virtual database that is directly accessible by DoD and CAO personnel...***Web-based...CAGE driven!***

- Providing the DoD Acquisition Community with a ***single source*** for supplier capability and status information

- Aiding Buying Activities in making timely acquisition decisions that are in the **best interest** of the Government

ALL information will be available to our Customers via the "Web"

Development Increments

Increment I: ***Deployed DCMC-Wide Jan '97***

- Preaward Survey System (PASS) Version 5.5.3--*Over 3500 PASs in database*
